Final Project: Interpretable Conversation Embeddings

Emily Tseng
et397@cornell.edu

March 19, 2020

1 Area

Give us a title and a short abstract describing the research problem.

2 Papers

Give 3 minor papers and 1 major paper you will be presenting in class ("your almanac").

3 Time

I signed up to present on April 20th.

4 Baseline

The main point of published comparison for the project. We expect every project to have some quantitative component.

5 Team

Emily Tseng, et397@cornell.edu.
